Dear Parents and Guardians,

Last year's yearbook was a huge success! This year's book is well underway, with so many activities already completed and so many clubs and teams that have been formed. Included within the book will be student photographs for all grades, the Grade 8 graduating class, various candid shots, students recognized for their academic efforts, sports teams and reflections on significant events that have occurred at the school throughout the year.

For those new to Centennial this year or those who did not purchase a copy of last year's edition, the yearbook is a wonderful way to capture and preserve memories and events of your child's time here at Centennial. Our book will be in full colour again this year and is available for **\$22.50** each

We would encourage everyone to use the schoolcashonline payment, as we will not need you to return an order form.

If paying by cheque or cash we will also need the order form at the bottom returned. If paying by cheque, please make it payable to **Centennial Public School, Attention: Yearbook**.

By paying online, or returning your order form with a cheque or cash, you will be ensuring that your child will receive a yearbook when it is delivered. **We will not be ordering extra books this year**. If you have any further questions or concerns, please do not hesitate to contact us.

Sincerely,

Mr. Johnston, Mlle Coombs
